ABOUT ME

Product & Delivery Manager with 10+ years of experience driving complex digital products from concept to launch across fintech, edtech, digital platforms and FMCG. Experienced in leading high-impact initiatives involving 20+ teams, financial products with 100M+ RUB turnover, and nationwide digital transformation projects.

WORK EXPERIENCE

Ozon Bank | 2024-2026

Senior Project Manager

The product created a new commission-based revenue stream and supported 100M+ RUB turnover.

Key Contributions

- Coordinated end-to-end product launch from zero to production within 6 months
- Led cross-functional delivery involving 20+ teams across business, analytics, design, development, and operations
- Built risk-driven delivery processes that accelerated implementation and reduced development timeline by ~1 month
- Identified critical gaps in early-stage process modeling → prevented major post-launch failures and delivery blockers
- Established cross-team synchronization and delivery governance mechanisms → improved execution predictability in a high-dependency fintech environment

VK | 2024-2024

Project Manager

- Designed services for product and system structuring that uncovered duplicated development processes across teams
- Identified systemic inefficiencies resulting in estimated annual savings of ~20M RUB in development costs

Institute for the Development of Professional Education | 2022-2024

Product Manager

Key Contributions – Educational System Platform

- Conducted 100+ user interviews across 4 different user segments
- Unified fragmented educational workflows into a single scalable business process based on legal requirements and 400+ educational standards
- Designed and structured the first centralized database for the future information system
- Led development and pilot launch of the platform within 1 year from concept stage

Key Contributions – Digital Content Ecosystem

- Developed a scalable methodology for digital educational content production
- Transferred tools and workflows to 120+ production teams nationwide
- Enabled creation of 2000+ multimedia educational units within one year
- Contributed to building a new information system in 3 months that allowed different educational institutions to reuse and scale shared content assets across overlapping subjects

Consulting | 2019-2022

Project Manager

Paradise Project, South Africa:

– Increased sales funnel by 3.2 times, as well as customer flow, by expanding to new countries.

Maison Lucchezi Project, France:

– Increased the company's recurring revenue by 30%

Victor Sport

– Loyal audience growth by 25%, sales growth by 5%, and an increase in the number of training camps and tournaments to ensure full seasonal occupancy

Erich Krause Finland OY | 2015-2019

Product Manager

- Led market analysis and product launch strategy → delivered top-selling product in category (Disney Product of the Year)

- Optimized product portfolio (2000+ SKUs) → improved efficiency across multiple markets

- Introduced new pricing strategy → increased category sales by 10%

- Reduced product launch cycle by 4 months through process optimization

- Delivered >50M RUB revenue and 100M+ RUB profit through product and licensing strategy
